

numera® | Libris® 2 Lone Worker

LONE WORKER PERSONAL SAFETY DEVICES

Stay Safe and Protected in the Field

In today's world, organizations are leaning on technology to protect their employees. The Numera Libris has been the market leader in the Lone Worker segment – providing the ability to immediately place a silent call for help and be located and provide reports for inactivity.

Emergency Services with 24/7 Help

Device and Event Notifications to Keep Employers Informed

Fully Mobile for Personal Safety On the Go

Water-Resistant to 1 Meter (3.3 ft) for 30 Minutes

Please visit numera.com, or contact your local Sales Manager.

Lone workers exist in nearly every industry, making them a wide and diverse market of customers

- Retail Front Line Worker
- Home Delivery Drivers and Services
- Hotel, Casino, and Other Service Industry Workers
- Electrical / Telephone Wire and Tower Workers
- In-Home Care Takers
- Oil Industry Workers
- Manufacturing Workers
- Park Rangers
- Private Contractors
- Security Guards

Silent Mode

Libris 2 offers a silent mode. In this mode the device will suppress all audio and visual cues, enabling the emergency call to be covert and not draw the attention of the perpetrator.

No Installation

Setting up and managing the Libris 2 is easy. The device is pre-configured and does not require any on-site installation. The Libris 2 integrates with existing monitoring systems.

Low Power:

Libris 2 uses low power cell phone technology.

Rugged Casing:

Advanced durability for shatter resistance up to two meters and water submersion up to one meter for 30 minutes. (IK06 and IP67 ratings)

Hands-Free Voice Calls:

The device automatically calls the monitoring center when a fall is detected – no need to push a button to receive help.
